Dear Past Pupils / Parent of Past Pupils

At Westville Senior Primary School, we believe in building a legacy and your time at WSPS is a unique chapter in your life.

By purchasing a plaque, you are anchoring your story to these halls, you become a permanent part of our history. Years from now, new learners will walk these corridors, look at your name, and know that they are following in the footsteps of someone who helped build the spirit of this school.

Your contribution also helps us upgrade the facilities you love, ensuring the WSPS excellence continues for years to come. It's a way to say, "I was here, I grew here, and I am part of this family forever." Whether you excelled on the sports field, found your voice in the choir, or made lifelong friends in the classroom, this plaque celebrates your personal journey.
