ACADEMIC TRADITION

Westville Senior Primary has a proud history of offering a quality education to generations of boys and girls. On their school journey, learners gain the skills and confidence at WSPS to achieve a high level of success in high school. This is illustrated by the large number of our learners who gain scholarships and entrance to both top high schools, among whom we have an excellent reputation.

HOLISTIC APPROACH

Our co-curricular cultural and sport programmes provide opportunities for all our learners to develop themselves beyond the core academic disciplines. We place a high value on the holistic development of our children in diverse activities. Whether it be enjoying the many vibrant cultural activities or participating in any of the many sports we offer. We encourage all our learners to participate in at least one extra-curricular activity per term.

To this end, an Annual School Play is produced, providing an opportunity to showcase our learners' acting, singing and dancing skills. Our annual Speech and Drama Festival provides the perfect platform for further exploration of our learners's creative expression.

Our award-winning Choir and Marimba bands produce outstanding performances and are renowned for their exceptionally high-standard.

We offer opportunities to participate in annual Lit Quiz, Spelling Bee, Public Speaking, Debating and Arts and Cultural activities.

UT PROSIM WE SHALL SERVE

Our motto “Ut Prosim”, **We Shall Serve**, is the underlying ethos of our community service. We encourage our learners to value service to others and to the greater community of Westville. Through our many charitable drives and collections throughout the year, the learners learn the value of community, support and kindness to others.
